

Enerflex Ltd. Appoints Laura W. Folsie to Its Board of Directors

Jan 20, 2023

CALGARY, Alberta, Jan. 20, 2023 (GLOBE NEWSWIRE) -- Enerflex Ltd. (TSX: EFX) (NYSE: EFXT) ("Enerflex"), a premier integrated global provider of energy infrastructure and energy transition solutions, is pleased to announce the appointment of Laura W. Folsie to its board of directors (the "Board"), effective immediately.

Ms. Folsie has over 30 years of executive and operational leadership in the energy industry and is the former Chief Executive Officer of BP Wind Energy, North America. During her career with BP p.l.c. and Amoco Corporation, she held several leadership roles with increasing responsibility and business complexity, including Executive Vice President, Science, Technology, Environment, and Regulatory Affairs.

"We are pleased to have Laura join our board of directors," said Kevin Reinhart, Enerflex's Board Chair. "Laura comes to us with an impressive background in executive and energy transition leadership and corporate risk management. Her ability to deliver improvements in safety, operational, and financial performance will be invaluable as we drive Enerflex's energy infrastructure and energy transition strategies forward."

Ms. Folsie currently serves on the board of directors of TransAlta Corporation, Pacolet Milliken, LLC, and the Auburn University College of Arts & Sciences, and was previously a member of the board of directors of the American Wind Energy Association from 2016 to 2019. She holds a Master of Management, Business from Stanford University, a Master of Science, Geology from the University of Alabama, and a Bachelor of Science, Geology from Auburn University.
